

## **Kingsbarns Distillery and Master of Malt offer the distillery's first bottles of whisky for sale**

*Kingsbarns Distillery and Master of Malt are excited to offer whisky enthusiasts a unique opportunity - the chance to become part of the Kingsbarns Distillery Founders' Club, and own the very first whisky to be released from the distillery.*

The Kingsbarns Distillery in Fife officially opened on 30th November 2014, with the first spirit running from their stills in January 2015. It's been a busy year for the distillers, and in celebration of their first anniversary (coinciding with St. Andrew's Day), they are launching the Kingsbarns Distillery Founders' Club, an exciting chance for whisky enthusiasts to play a part in the story of this burgeoning, passionate distillery.

Available exclusively through Master of Malt and the Kingsbarns website, the Kingsbarns Distillery Founders' Club is open to just 3000 members worldwide. A welcome pack will be sent to all members, enclosing a 20cl bottle of [Kingsbarns New Make Malt Spirit](#), a branded Kingsbarns Glencairn glass and an exclusive membership badge.

At some point between 3 and 5 years after today's date (or perhaps a little later - everything depends on the rate of maturation, and these things simply cannot be rushed), each member will receive an exclusive bottle of Kingsbarns Single Malt Founders' Reserve, thereby becoming one of the very first to taste Kingsbarns' whisky. Thereafter, members will receive a bottle of Founders' Club Reserve special release every year for 4 subsequent years, allowing members to see the progress the distillery is making.

Speaking about the launch of the Kingsbarns Distillery Founders' Club, Douglas Clement, Founder and Visitor Centre Manager; "As the Founder of the Kingsbarns Distillery, I am thrilled to be able to invite others to become part of our 'Dream to Dram' story by becoming a member of the Founders' Club. I am eagerly looking forward to sharing our first Kingsbarns Single Malt with our members."

Kingsbarns Distillery Founders' Club memberships are priced at £500 and are available from [Master of Malt](#) now.
